Vienna, January 19h 2021

Certificate of Distribution:

To Whom it may concern,

First of all, thank you very much promoting Nichicon products in your territory.

We hereby confirm , that company Symmetron, located in Leninglaskoe Shosse / Moscow/Russia, is authorized to buy, sell and design Nichicon made products in cooperation with NICHICON (AUSTRIA) GmbH based in Vienna/ Austria.

We allow Symmetron to deal with and support every customer and application in their territory except for military related applications.

This writing is valid for Nichicon FY21/22 and needs to be renewed once a year . The FY starts with by April 1st and ends with March 31th. By January each year Micro-EM may request a new version for the following Nichicon FY.

Nichicon is looking much forward to grow business together with Symmetron.

Sincerely yours,

Josh Yamamoto
Managing Director
